Commitment to Accessibility

Spycon Security Ltd is committed to ensuring that our website is accessible to all users, including those with disabilities. We aim to meet or exceed the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA** to ensure our website is usable and inclusive for individuals with diverse abilities.

Accessibility Features

To support accessibility, our website includes:

- **Alternative Text:** All images and non-text content are provided with alternative text descriptions for screen reader users.
- **Keyboard Navigation:** The website is fully navigable using a keyboard, without requiring a mouse.
- **Clear Structure:** We use semantic HTML and proper heading structures for easier navigation by assistive technologies.
- **Colour Contrast:** Content is displayed with sufficient contrast to ensure readability for users with low vision or colour blindness.
- **Responsive Design:** The website adapts to different screen sizes and devices, including smartphones and tablets.
